***March 24 Event at Earl Warren is largest Industry Event on Central Coast;

SANTA BARBARA, Calif. – (February 1, 2010) – Carpinteria-based *All Around Landscape Supply* announced today that it will host the **2010 BBQ & Landscape Product Expo** on Wednesday March 24, at the Earl Warren Showgrounds. The *Expo* has grown into the largest Landscape Industry event of the year on the Central Coast.

Over 500 landscape contractors, architects & designers, growers, ranchers, and other industry professionals are expected to attend the *2010 BBQ & Landscape Product Expo*, which will feature free admission to invited industry guests, product demos by industry experts, exclusive *Expo*-only deals on top brands of landscaping products and power equipment, a Grand Prize Drawing for a Flat Screen TV and other Great Prizes, and a free BBQ tri-tip & Chicken lunch. In addition, a percentage of all proceeds for the day and cash donations collected at the *Expo* will benefit the *Girls Inc. of Santa Barbara County*.

More than 40 manufacturer's reps, service providers, local water districts, industry organizations, and representatives from local professional development programs such as Santa Barbara City College's *Environmental Horticulture Program* and Santa Barbara's acclaimed *Green Gardener Program* are expected to be on hand to staff exhibition booths and discuss their offerings.

"This is our fourth annual *Expo*, and we expect attendance to grow again this year despite the economy," said Michael Hamman, President of All Around Landscape Supply. "For industry professionals on the Central Coast who don't have time to spend a whole day going to the CLCA show in Los Angeles, this is a great, local alternative. And the Tri-tip is awesome!"
